It was for a meeting with Generate Health to discuss perinatal issues in Missouri. The costs were food at Panera where we met.

Hi Andrea,

It looks like you have a mental health expenditure on your QER. Would it be possible to get more information about what this expenditure is? Generally, mental health costs are not allowable A2A expenditures, so depending on what it is, it may need to be removed from the QER.

Thanks,

Emily Kraft

Joy,

If you have any questions please do not hesitate to ask. Joyce (our accountant) and I have never completed one of these before. We gave it our honest and best efforts.

Thanks,

Andrea Vent
